Unplanned pregnancy support

Unplanned pregnancy counselling is designed to support you with your unplanned pregnancy.

We can provide support and information over the phone, via our webchat service or we can refer you to face-to-face counselling.

Call us on **1800 828 010** or visit **myoptions.ie** and talk to one of our professional and experienced counsellors.

You can also avail of post-abortion counselling.

This is a free service, available to everyone who needs it.
