MINDING YOUR WELLBEING

yourmentalhealth.ie

Information | Support | Services

We all go through tough times but there are simple, practical and powerful steps we can practice to protect our mental health and well-being. Taking time to relax, eating and sleeping well, keeping in touch with family and friends, sharing a problem and taking regular exercise are all proven to have a positive impact on our mental health and well-being.

To watch the 'Minding Your Wellbeing' video series or for further information contact **yourmentalhealth.ie**

LIFESTYLE BEHAVIOURS

Reflect on your current
lifestyle behaviours.

A change to how you live your life
can reduce your chances of
developing diabetes, cancer, heart
disease and lung disease and other
forms of ill-health.

Knowing your Numbers will help give
you a sense of how healthy you are.

There are many health benefits to keeping active so aim for at least 30 minutes of moderate physical activity 5 days a week. For ideas visit:

www.getirelandactive.ie

Stop smoking
for 28 days and
you're 5 times
more likely to
stop for good

SIT LESS MOVE MORE

Try to avoid sitting for long periods at any one time. At work, at home or leisure, be conscious of the length of time you are sitting. Get up and stand, stroll and/or stretch to break up long periods of sitting.
