Find Bladder Cancer Early

The bladder collects and stores urine.
It is in the lower part of your tummy.
If bladder cancer is found early, it's easier to treat
and there's a better chance of cure and recovery.

Call your GP TODAY if you notice any of the following

Blood in your urine

Passing urine more often
or with difficulty

Tummy pain

Unexplained
weight loss

Feeling very tired all the time,
more than is normal for you

Bone or back pain that
you can't explain and
that doesn't go away

Don't be scared Don't delay
